"KIDS IN THE HALL"

You see them everywhere, you always do. But, have you ever really thought about them? Well, We have and We've realized something ...something "special." Something special - collectively and individually. They are all the same but they are all different. They've been given a label, a suitable one, which classifies them. But look into this label. See its multifaceted significance. Understand what it says. Together and alone, they are one. Everything from them radiates with talent and heart. Diverse with thought and divergent with ability, they offer us all gifts of soulful music, adrenaline-powered sports, innovative art, dynamic theatre, and challenging thought. Together this community of erudite scholars works as one to ensure a vibrant future.

So next time, when you look, really see them because each has left a mark. Collectively, they are the Class of 2002. Individually, they are Kids in the Hall.

They are We.

9.11.01

At 9:20 a.m., September 11, 2001, Mr. Ryan made the announcement that two planes had just hit the World Trade Center towers in New York City. We were all a little stunned, but it didn't quite sink in until the teachers turned on the news and we saw exactly what happened. By 10:00 a.m. the Pentagon had also been hit by yet another hijacked airplane. The towers and part of the Pentagon subsequently collapsed and thousands of lives were lost in the tragic attack on America.

One might think that this tragedy would have crushed the spirits of Americans, but instead it did just the opposite. Driving around the streets of Stoneham you cannot turn a corner without seeing a flag. From the giant flag draped across Town Hall, to many homes, schools, stores, cars and trucks, people have rallied around the flag to proclaim: "United We Stand."

Our school joined the nation in collecting enormous amounts of money for relief organizations such as the Red Cross to aid the families of the victims and the volunteers at "Ground Zero." The SHS collection kicked off a day of remembrance where all students were encouraged to wear red, white and blue clothing and ribbons. Also, a student-led candlelight ceremony was held on the Town Common as a memorial to the victims.

It is clear this heinous attack on democracy will leave the United States forever scarred, but, our generation will see a more unified nation rise from the rubble thrusting our country into a new period of brotherhood and goodwill.

"Imagine there's no countries, it isn't hard to do
Nothing to kill or die for, no religion too
Imagine all the people, living life in peace."
-- John Lennon

DEDICATION

Mr. James Romano

Mr. Romano is one of the most cheerful faces at SHS. Even if he is not your teacher, he makes the effort to greet you in the hallway with a smile and a pleasant "Hello." At winter holiday time, all his "babies" receive a candy cane. His love for his students and for teaching is evident in all his actions.

After graduating from Assumption College with a Bachelor's degree in history and minors in theology and literature, Mr. Romano spent a year in the field of public relations. He found it "unpleasant, with no morality." Taking the higher moral ground, Mr. Romano decided to try teaching. He began teaching in 1968 after receiving his Master's degree from Salem State. In 1970, Stoneham High welcomed Mr. Romano to its staff. Although he thought he would stay only a few years, Mr. Romano found that Stoneham became his home. The mutual love and respect from kids, parents and the town, in general, helped him decide to stay. Are we lucky!

Mr. Romano is a great social studies teacher, but, more importantly, he is an outstanding "life" teacher. In his class we not only learned the Middle Ages and the Renaissance, but also life lessons from Uncle Tony, Kickerscholer, and from his own personal life experiences. Never afraid to tell us about anything, this man has given us answers to all our questions and helped us to determine our future. Thank you, Mr. Romano. We will not forget you.

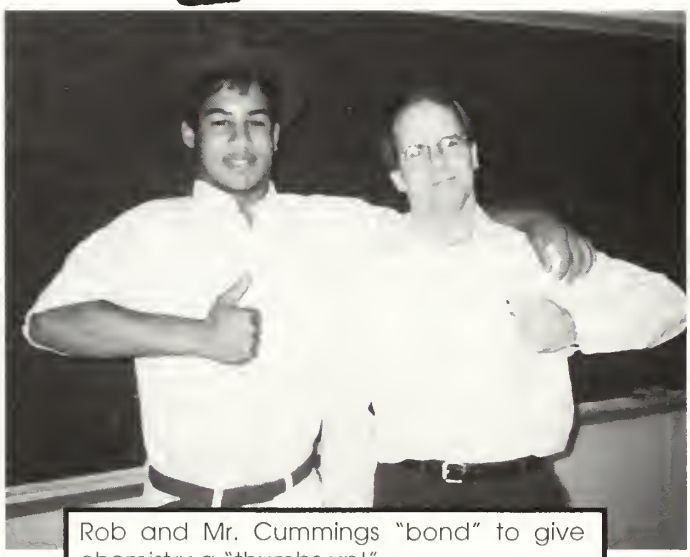
FACULTY



Rob and Mr. Cummings "bond" to give chemistry a "thumbs up!"

Ms. Lynch and Sarah: "It's all about the Benjamins."

You can find them behind a desk, in front of a class, on the fields and in the halls. They are our teachers. We met them when we were nervous freshmen but we will leave them as mature young adults on graduation day. These great men and women have fought to teach us and we as students have many times fought back. We have grown close to these extraordinary people and have touched their lives just as much as they have influenced ours. They haven't just taught us math, English or science - but how to learn from our mistakes, failures and from each other. We will learn new and interesting things throughout our lives from all sorts of teachers. The teachers we had at Stoneham High, however, will always have a special place in the hallways of our minds and our hearts. We dedicate this section of our yearbook to the faculty, and we hope that the future kids in the hall will have the same memorable experiences as we, the senior class, have enjoyed.

Anthony is so hot!

Mr. Ryan: " These huge boxes are no problem for me and my pythons."

GREASE

For four performances in Spring 2001, Stoneham High School was transformed into Rydell High during the Drama Club's production of *Grease*. The play took the two main characters Sandy (Liz Francis) and Danny (Dan Braganca) from their bout of "summer lovin'" to a "true romance." A new student at Rydell High School, Sandy is integrated into the gang of "greaser" girls consisting of Rizzo (Amanda Hoffman), Marty (Katie Lacy), Jan (Anne McDonnell), and Frenchy (Farrell Boghos.) The play chronicled the romantic interplay between the "Pink Ladies," and the school's male greasers, the "T-Birds." The T-Birds consisted of Danny, Kenickie (Dan Blanchard), Sonny (Joe Laiosa), Roger (Josh Gondelman), and Doody (Matt Reopell.) Chaci Ciano rounded out the male student body as Ubernerd Eugene. Katelyn Dondero danced the night away as Cha-Cha DiGregorio. Anthony Scannelli made his SHS Drama Club debut as the sweet-crooning "Teen Angel." Leading the chorus were seniors Ally Paonessa and Tara Bowman.

Although the acting dazzled the audiences for four performances, the outstanding work done by the crew was equally impressive. Among the members of the crew were class of 2002 members Erin Molloy, Becky LaMattina, Kelley Joyce, Pam DeAmicis, and Steve Sheppard. Other important behind the scenes contributions were made by stage manager Yan Yan Yii, and Properties Mistress Jessica DiPietro. Responsible for the creation of the authentic 1950's style costumes were Allyson Paonessa and Crystal Epstein.

I laughed, I cried, it was better than *Cats*.

A MIDSUMMER NIGHT'S DREAM

This year, the Stoneham High School Drama Club decided to take on the most daunting challenge that any high school drama club could possibly undertake, the work of Shakespeare. The production of A Midsummer Night's Dream was so successful that when the curtain opened revealing the moon lit forest, the audience actually burst into applause. This set was made possible by the ceaseless toil of Technical Directors Erin Molloy and Jaki Carleton as well as the immense effort by first time director Ms. Danielle Catalano. Other seniors involved in the production were stage manager Jessica DiPietro, costumes supervisor Allyson Paonessa and her assistant Meredith Pustell, and crew members Becky LaMattina, Kelley Joyce, Lahnna Epolito, Jill Moore, and Pam DeAmicis. In this play, Helena (Anne McDonnell) pines in vain after Demetrius (Joe Laiosa) who is engaging in his own fruitless pursuit of Hermia (Katie Lacy) who only has eyes for Lysander (Danny Pecci). Sound confusing? Well it's about to get worse. At the same time, a group of local tradesmen are producing a play to be performed at the wedding of the duke and duchess-to-be of Athens (Steve Sheppard and Yan Yan Yii). This group of players includes Farrell Boghos, Tara Bowman, Chaci Ciano, Josh Gondelman, Allison Lacy, and Allie Landers. In addition, the king and queen of the forest faeries (Blake Coleman and Amanda Hoffman) are having a little "lovers' quarrel." To get revenge against his wife, the king orders his servant, Puck (Dan Braganca) to bewitch the queen into falling in love with a donkey (a magically transfigured Gondelman). The plot only gets more complicated from there, but suffice to say that the play held a happy ending for the characters, the audience, and all those involved in the production.

National Honor Society Induction

During the National Honor Society Induction Ceremony on the evening of February 11, 2002, the SHS cafeteria was filled with an elite group of students possessing four important qualities of scholarship, leadership, character, and service, four traits that thrive amongst all NHS inductees.

NHS officers, Anne McDonnell, Peter Cucchiara, Rob Barresi, and Sara Gagnon each made speeches recognizing these qualities. Jillian Murphy introduced Social Studies teacher, Mr. James Romano, as the Honor Address speaker. In his speech, he spoke of giving wanted, as well as unwanted, advice. Over the years, this much loved teacher has truly served as a confidante and friend to many students. Sarah Lupis introduced and awarded the Honorary Membership to Mrs. Ann O' Sullivan, a veteran math teacher who will soon be retiring after this year. She graciously accepted the award, and made it quite clear that the reason herself and Mr. Romano have spent so many years teaching at SHS is because of the wonderful students who they have encountered over the years. Not included in the written program, was a surprise portion of the ceremony, during which members Meredith Pustell and Anne McDonnell presented both Mr. James Campagna, the newly retired SHS Vice-Principal and NHS Advisor, and Mrs. Margaret Puffer, English/Spanish teacher and retired NHS Advisor, with gift-certificates thanking them for their dedication to the NHS over the years.

After the speeches, the inductees were called to the stage by President Anne McDonnell, were pinned with their NHS pins, had their candles lit, and were congratulated by the other officers. At the conclusion of the candle-lighting, the inductees recited the National Honor Society Pledge, promising to "maintain and encourage high standards of scholarship, service, leadership and character."

In addition to the thirty-three students that were inducted last year, SHS inducted an overwhelming fifty-two students this year, which includes four seniors and forty-eight juniors. As always, being inducted into the National Honor Society is quite a prestigious honor for many deserving SHS students, and amazingly SHS commended a great number of students this year for their outstanding achievements.

Drama Fest

God. What a show! From Greek tragedy to a refrigerator on wheels, this play had it all. Woody Allen's God, a comedy about nothing, but which included everything, was Stoneham's Drama Festival choice of this year. With laughs from the beginning to end and from end to beginning, this show had something for everyone as it freely mixed and twisted time into a comedic frenzy.

At the preliminary level at Ipswich High School, Stoneham dazzled the audience with its breathtaking set of a Greek theater and kept them laughing with an endless variety of jokes. This exemplary performance ensured moving on to the next round, even against the difficult competition they faced.

Stoneham made its way to the semi-final round of the Massachusetts Drama Festival at Hamilton-Wenham High School. In a day filled with laughter and amazing theater, Stoneham showed its strength with another great performance. The competition was tough and Stoneham was a true contender, but went home without the trophy this year. Overall, Festival 2002 was an excellent experience for the Stoneham Drama Club and all viewers of its play. No one is soon to forget it.

CARNIVAL BALL

Carnival Ball is a popular, well-known tradition at Stoneham High School. This year, "Carnival Ball On Film" embraced the film industry. Carnival Ball Queen Angela Sciola, King Robert Dalis, and their Royal Court began the night with a waltz to The Pretenders *I'll Stand By You.* Master and Mistresses of Ceremony, Calvin Chu, Janine D'Alelio, and Kristin D'Orsi explored the different genres and aspects of the film industry throughout the show. Along with the humerous movie-related class acts were wonderful performances of singing, dancing, instrumentals and much more. Carnival Ball, once again, proved to be a magnificent success and enjoyable show.

Field Hockey

Three wins, one tie, and fourteen losses; the Stoneham High School Field Hockey team of the 2001 season could not quite live up to the standards they helped to set last season. Weakened by numerous injuries, the team was forced to "step it up" with a minimal amount of players. Our record, which was rather unimpressive, did not nearly demonstrate what the team was all about.

"Work together! Win Together! Be aggressive! Score!!"

Despite our losses, these words of enthusiasm kept our team fighting for our goals. Each player's dedication and drive was evident to anyone who watched our games. Our great team spirit and constant passion for the game created tight bonds on the field, as well as everlasting friendships with our teammates.

We want to thank the team for the memories we made together over the years (Janie, sleepovers, Friday's, bus rides, haunted house, black Gap undergarments, and, of course, Stifler). Good luck to the team in the upcoming seasons, and good luck to the seniors! By watching your determination over the part four years, we know you will be successful with anything you may endeavor. We'll miss you guys!

GOLF

The Stoneham High Golf Team ended another successful season with a record of 8-8. The team was led by captain Chris Serrano. Seniors Dave Corbett and Pat Finn played crucial roles in the success of the team. Next year's team will be led by juniors Joe Leo, Mike Powers, Joe Corindia, Jonathan Garcia, Zack Ehrhardt, Tommy Sodergren and Ryan McCormack. They were a big part of the team's lineup and got key points in many matches. Sophomores Joe DiSanto and Brendon Noke also came through with key points when needed. Young and talented freshmen Jeff Corbett and Kevin McCarthy played in many of the matches and gained a lot of experience for the years to come. We qualified for the State Tournament by beating Reading in our last match of the season by two points. This was the team's fourth straight trip to the tournament. It was held at Thompson Country Club. We finished in seventh place. I was glad to be captain of such a great team and wish all future teams good luck!

VOLLEYBALL

Practice! Practice! Practice! The fundamental element of our success this season came from the performance of this simple word. Under the leadership of our new head coach, Kevin Russell, we were determined to make a strong effort while keeping a persevering attitude. Each day was spent enhancing our skills as well as perfecting our reactions. With teamwork and communication, "being smart" and "hitting away" worked to our advantage. Our intense determination and confidence fueled each win. Proving our skill and endurance, we finished 10-8 in the North Shore League and advanced to the North Section State QuarterFinals in the tournament. We will never forget that only a few short years ago we began as novices joining a team, not knowing this opportunity would impact us so significantly - mentally, physically, and spiritually.

Girls Cross Country

Being a runner does not only require the ability to move your legs like most people think. Instead, it is about waking up every morning knowing you have one more task than everyone else to conquer. Whether it is five miles, a hill workout, or a speed workout, runners are constantly accomplishing what may seem to others a physically impossible challenge. Building up these great achievements and accomplishments is what had made such a dynamic team different from any other. Having a cross-country team put together is one thing, but developing into such a tight bond of runners, friends, and teammates like we have is the greatest accomplishment of all. The bond our team shared this season has been far from fragile; we have worked not as individuals, but as a closely bound team through almost every workout and race. The ideal our team had created is one that every other team envies and tries to establish amongst their teammates. Finishing second in the competitive ML-10 had been a great accomplishment for us, as we reversed our record from last year, 2-7 to 7-2. With a new coach, Coach Norton, we were able to experience running in a new light, and develop fully into a more than successful team while on the race course, at practice, and also in everyday life. We are proud of the obstacles we have overcome together. Good luck next year, we will miss you!

Boys Cross Country

Cross-Country is a sport that is at the same time grueling and enjoyable. We continued the long time tradition of a winning season with a league record of 7-2. We started the season strong with a 10th place finish out of 44 teams at the Clipper Relays, a 6th place finish at CMI, a 5th place finish out of 31 teams at the Bay State Invitational, strong individual performances at the State coaches invitational, and an 8th place finish out of 33 teams at the Eastern Massachusetts Championships race. This showed how strong the team really was. To carry on with another tradition we had a rebuilding year. We lost three of our top seven from last year. Two to graduation and fellow senior Jeff Brunini to a devastating foot injury. Although Jeff was unable to run for the team he always made sure that his presence was felt. With many juniors this year, the team was able to bounce back from losing some of our top guys. Juniors Tim Judge, Brendan Lowell, Ray Scarpone, Dan Mahoney, and James Kelly stepped in to help the team score valuable points. Tim Judge and Brendan Lowell were named to the Middlesex League all-star team. Sophomores Eric Nardone and Alex Devlin each earned varsity letters and contributed greatly to the team. Freshmen Brendan Mahoney, Randy Fixman, Bill Scullin, and John Cheng made significant progress over the course of the season. The veterans adapted nicely to long time distance coach, but first year head crosscountry coach, Coach Riley. To say that this year was fun and successful would be an understatement. This season was unforgettable and we had a blast.

Fall Cheerleading

With much dedication and hard work, the fall cheerleading squad pulled off another successful season. We have been with many of the girls, especially the seniors, for quite a few years now, and it has been a privilege working with them as a team. The season started off with unbearable captain's practices in the ninety-degree weather, but everyone stuck with it. We went over cheers, jumps, lifts, and perfected beyond belief. For the first time, we were able to achieve certain goals as a group. The team consisted of nineteen people so we were able to get everyone involved with different lifts. Above all the struggles and triumphs though, the friendships that have developed are the best results. After cheering for four years, we have learned not to take ourselves so seriously, and to have fun. We enjoyed being captains for this season, and we know the memories will last forever.

TEAM. After a surprising 0-1-1 start, we all realized that we had to come together as one in order to have a successful season. It was amazing to see so many different kids come together as one, with one common goal and become best friends, practically brothers. Our success was only achieved through the hard work and determination day in and day out, after concluding last season. From winning an indoor championship, to playing short handed almost every game in spring league, to the early morning runs in 90 degree weather throughout the summer, we were prepared and determined to be successful, we were able to make it to the Division 3 North Finals, the furthest any Stoneham High School soccer team has ever gone before. The tournament was highlighted by a 3-2 come from behind victory in the first round , to a dominating 5-1 victory over Rockport, to a long and grueling 1-0 victory in the Semi-finals against Ipswich and finally a heart-breaking defeat in the finals, 3-1 to State Champions, Wayland. Throughout the season, we laughed together, cried together, were happy together, and were mad together. However, when all was said and done, we stuck together and accomplished something nobody thought was possible, and that was something no other Stoneham High soccer team had done before. Ending the season with a record of 13-5-4, we would like to thank the coaches, our parents, the teachers, and the students at Stoneham High School for all of their support throughout the season.

"Determination is the key to success."

We have never been more proud of a team in our lives. The 110 percent effort, 'never-quit'attitude, and teamwork we had playing year round paid off. Being such a young, inexperienced team, many people thought this season would just be a rebuilding one. Well, it wasn't! After winning 4 out of our last 5 games against great teams, we qualified for the State Tournament, (8-8-2). We knew we could do it and we just proved to everyone else that we could. Fighting through MANY injuries, our team was so determined and had so much heart that nothing could stand in the way. With hard work and devotion, we kept going strong. Losing to Wakefield, 3-2, in the 1st round of the Tournament, we still walked away with our heads held high, for it was a winning season.

"Even when you've played the game of your life,
it's the feeling of teamwork that you'll remember.
You'll forget the plays, shots, and scores,
but you'll never forget your teammates." -D. Palmore

Although we may not remember every little detail of this season, we will always remember: pasta & pool parties, DILFs, Melrose P.D., superstitions, scavenger hunts, sleepovers, Scanlan's chair, STILF, drooping, TP'ing Chapman's house, Prince, GILF, and the candlelight in the common (in memory of 9/11). It's hard for the six of us seniors, Tri-Capts: Julie O., Casey P., Sara S., Melissa F., Paula G., and Meredith M. to imagine not playing with these girls ever again. We were all so close and had such a tight bond with each other; we were like sisters. We hope you girls have another successful season next year. We'll miss you! NEVER FORGET... We heart you. "Ruff, Ruff." GO BLUE!

Swimming

For the first time ever, Stoneham High School allowed their female athletes to be part of a swimming team during the fall season. Stoneham developed a cooperative girls swim team with the preexisting Melrose High swim team. Despite being the traditional rival of Stoneham, our girls managed to become not only teammates, but also friends with the Melrose girls. Since neither Stoneham nor Melrose has a swimming pool, we had to commute every day after school to Malden High where we practiced. Swimming is not an easy sport; it is highly competetive, grueling, and difficult. When you get in that pool during a competition, you're not only racing against the other swimmers, you're racing against the clock. Winning, breaking records, and having fun is just what the Stoneham High School girls swim team did this year. The team consisted of one junior, Leanna Farnum, four sophomores: Stephanie Vasilchuk, Catherine McQuade, Tara Kelly, and Lauren Teich, and four freshmen: Shannon Conroy, Amanda Buckley, Shannon Brown, and Amanda Rourke. Although our record of 1 and 7 in the League sounds disappointing, it was totally the opposite as many girls improved and did well individually. We look forward to next year and encourage everyone to join or just come by and watch a meet. We hope next year will be as fun as the 2001 season was.

BOYS TRACK

We ended our season at 5-4 competing in a tough Middlesex League. Our five seniors and captains led the way with solid performances throughout the year. Jeff Brunini and Matt Pecoraro led a strong distance team: Matt Gallagher and Eric Vonkriegenbergh were the strength behind our field events, and Wally Sacco led the way in both the long jump and sprint events. Some highlights of the year were: Jon Garcia's sixth place victory in the high jump at states; Wally Sacco's first place victory in the long jump at states; and, at the Class C State Relays, Jeff Brunini, Matt Pecoraro, Tim Judge, and James Kelly won the Distance Medley. Also, the same four came in a respectable second place at the states in the 4X800 meter relay. To finish off the year, Wally Sacco, Jon Garcia, and Corey Irons set a new school record in the three man team pentathlon and also came in second place in that meet. Coach Powers, Coach Riley, Coach Lemoine and Coach Melkonian continually motivated us to strive for our personal best each and every time out of the blocks. Through their commitment to our team we felt the need to perform at our best at each meet. We want to thank them for showing us how to compete. We have a strong group of underclassmen that will continue to improve and lead the Spartan track team in the future. We wish them luck in the upcoming seasons. Finally we would like to leave you with these words: "Train hard, fight easy - Train easy, fight hard and die!" -Dick Marcinko.

GIRLS TRACK

With a very small team, a new coach, and a previous record of 2-7, most people doubted our capability to succeed. After our nine dual meets, we finished our season with a record of 4-5. During our meet against Woburn, our strong performances held the talented Woburn team until the very end when they defeated us, a meet that kept us back from a winning season.

Different from past track seasons, our new coach, Mr. Norton, paid careful attention to our progress, as he timed many of our workouts. The supportive and motivational words of Mr. Norton, as well as our two assistant coaches, Ms. Dilisio and Laura Fiore, kept out spirits high, even when we faced some of the strongest teams in the Middlesex League. And it was during these close meets that many of the girls raced, jumped, and threw their best.

Having only twenty-six girls on the team made it possible to have pasta parties before some of the meets, and even a track sleep over. This brought the team together, allowing us to become not only teammates, but close friends.

Looking back at this past winter track season, we can say it has been a success for all of us. We have all improved immensely since last year. With the hard work, determination, and positivity that this team shared, they are bound to find even more success in their track seasons to come. Congratulations on a wonderful season and good luck in the future! We will miss you next year, and don't forget: "Boys are bad!"

GYMNASTICS

The Stoneham gymnastics team, though only coming out with one win, remained determined and hard working. There were many skilled people on the team, and each meet was a close call. With every meet, we tried to improve our score, and we were successful. Our optimism led us through the season and we never gave up. Even though many people were injured, Coach Cristofi and Coach McNeil helped us keep up our high spirits. We had a fun season and we wish good luck to the teams in the years to come.

BOYS BASKETBALL

The 2001-02 boys basketball team had a great season, despite not reaching their goal to qualify for the state tournament. It was a season of high hopes, but injuries and other obstacles seemed to plague our season. Our record of 7-13 does not reflect how hard we worked and played together. It's tough being the smallest team in the Middlesex League when you have to compete against schools with twice as many athletes. We managed to do so anyway. We were in every game we played, and lost some close games we very easily could have won. We still managed to beat six different teams, with seven wins, three of which were against eventual tournament teams.The highlight of our season was a tough 74-72 win over archrival Reading. It was a great win, because we haven't beaten Reading in at least four years. Another highlight of the season was senior Craig Bambery scoring his 1,000th point, making him the all-time leading scorer in Stoneham High history. The team was led by tri-captains Craig Bambery, Kevin O'Brien, and John Sabbagh, along with seniors John Tamburrini and Billy Campbell. It was a fun and successful season, and we wish the best of luck to next year's team.

GIRLS BASKETBALL

We thought this might be our year, and it was. The Stoneham girls basketball team was going to the tournament! Those were words that hadn't been heard in over ten years. We only had five wins, however, being in a league with all division one and two teams, and only one other division three team. But, we were able to get the wins we needed. In order to qualify, we needed to win at least half of our division three games. Our tournament berth came down to our biggest game of the year, Watertown. Whoever won this game went to the State Tournament. Sadly, we lost the hard fought tournament game to Weston by nine points but just getting there was a great accomplishment. Through the whole season we never stopped having fun. With our famous car chases, pasta parties, and sleepovers, this was a season I'll never forget. I wish you all the best of luck next year and I can't wait to come back and watch! Always remember to ROLL OUT! There's only two words I have left for you: CUOCO WHAT?!

WINTER CHEERLEADING

Looking back on the 2001-2002 winter cheerleading season, the team has been busy, and has had many great times. Since competition has recently been added to the Middlesex League, we have had a goal to work towards. Although we had a small team of only fifteen girls, we worked together and our creativity shined through. Many lasting friendships were made over the past four years and we'll never forget the memories. Thanks to our awesome Coach, Lisa Walsh, we accomplished more than we ever imagined. Our lifts were advanced and with the help of Ms. Carbone we were able to get some back handsprings. If it wasn't for Sherry, our dancing would not have been as perfect as it was. There has definitely never been a team quite like us! From the Patriots parade to *Crossroads*, we hardly stopped laughing. No other team could start a night off toilet-papering, get chased around Stoneham by mullets, and ended it with a dead Delilah! Each and every girl added their own personality to the team. Whether it was Dizzy T's dizziness, the six "bad" ones, or just the general "mess-ups", we made the team unique. The team has taught us that we can work hard and have fun all at once. We willl greatly miss you all and we will never forget the year that we got "robbed"! Good luck next year, girls!

BOYS HOCKEY

The 2001-2002 Stoneham High hockey team was a young team who put their hearts into each game. Although there were only four returning seniors Mike O'Brien, P.J. Shirkoff, Andrew Puopolo, and Michael DiRe, the team worked hard. The underclassmen demonstrated potential to be successful in the upcoming hockey seasons. The record of 4-12-3 is not a true indication of the talent that is developing for the high school in the hockey seasons to come.

GIRLS HOCKEY

This year marked the first ever for girls' ice hockey at Stoneham High. Because of this, we felt very proud to be on this team. Although we did not compete at the varsity level, everyone put their best effort into each scrimmage and practice. Unfortunately, we could only have three scheduled scrimmages and we were defeated in each. However, we scored some goals and came close to some wins.

This team became a close group of girls. Considering our on-ice practices were at 5:30 in the morning, we needed dedicated and committed team members with positive attitudes. We were fortunate to have such a group of girls who worked hard and had a lot of fun. Our skill levels varied, from beginners to those more advanced, and everyone was willing to lend others a helping hand.

We'd like to thank everyone who helped us get this team started and hope that it remains a part of Stoneham High School for the years to come. So keep it up girls, we'll be checking up on you!

"Staneham High School - Mirrors", I'll never forget those wards ar the voice that spake them fc as lang as I live. The utterance of them, far me, symbolized the culminatian of four years af har wark - schaal nights until10 p.m., feverish rehearsals, and cauntless castume fittings. Drama Festiv is, and always has been, my favorite af the three plays produced each year, sa when the judg annaunced Staneham High School, for the first time in twelve years, had made it ta the finals, I wc beyand thrilled. What ensued was three days af friendly campetition, the chance ta meet peapl of a cammon interest, and a glorious amount af theatre - the best that Massachusetts yauth hc to offer. I dan't knaw where life will take me ar even if I'll ever be anstage again, but I will alwa cling to that memary ta samewhat satiate my desire. And I am canfident that my fellaw membe of the Drama Club wauld claim the same.

Chris Serrano

Being a three spart athlete, I will always remember seeing Jim Rafferty at many sparting events. I will especially remember Jim during the baseball season. Whether it was a hame game ar away, Jim wauld always run aver ta the appasing team's dugout and yell to them that they're gaing ta lase and that "we are the better team." Opposing players and coaches would stand there wandering what he was up ta and why he was yelling at them. He's the team's biggest fan. Jim never missed a practice and always tald everyane they made a nice play or had a good hit. After we last a heartbreaking semi-final game ta Westfard Academy, Jim went nuts and yelled at the caach that "we shauld have wan, yau guys cheated" and that "we were better." Jim wauld sametimes yell "strike" befare the ball even crassed the plate or yell "he's aut" or "he's safe" befare the play was even made. It has been a baseball traditian ta bring the Rafferty Rd. sign ta every game as gaad luck. Everyane tauches the sign befare the game starts. Jim Rafferty is Stoneham Baseball's biggest fan and supparter. This is ane af the many memaries I will have at Stoneham High.

Costa Rica Travelers

There is no possible way to sum up eight days filled with experience, laughter, and friendship an an exatic adventure in Casta Ricc All we can do is share with you some af these lasting memaries. After an extremely lang plane ride, we finally reached aur lang awaite destination. The first af MANY new amigas that we met were aur exatic taur guide, Manica aka Manifa, and aur humble and lovabl bus driver, Manuel. After anly twelve shart haurs in aur new hame, we experienced and saw many things different from life in Stoneham Fram guest appearances af ane-hundred and faur different species of creepy, Costa Rican critters to the dense tropical jungles thc Manica expased us to, we were canstantly awakened to new and exciting Costa Rican customs. Na matter haw fatigued we wer after trekking thraugh bialogical reserves, we always brought life and laughter to las discotecas as we danced ta aur favarite Cast Rican salsa song "La Bamba".

Our LONG, scenic bus rides gave us a great glimpse at th country's varying terrain, as we traveled fram destinatian t destination. While white water rafting and gliding fram tree t tree abave the rain farest canopy on a series af zip wire line faur-hundred feet off the graund, we always taok great risk and conquered our fears. We all survived for eight days witha typical American faad, such as soda, greasy French fries, ar red meat. Instead, we had "gallo pinta" (rice and beans), ar an assortment of delicious, native fruits. Our trip wauld nat hav been complete withaut Ms. Griglun, who is na langer just teacher in aur lives, but also a friend far life. Thanks for a gre time. We'll miss you!

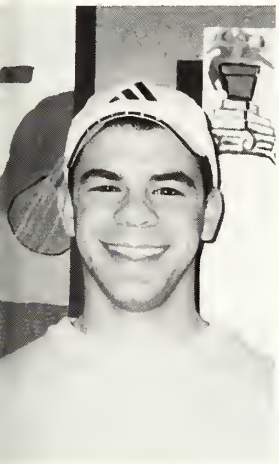
Skipping class to chill with the crew.
Failed all the classes, you knaw haw we do.
Talking back, fighting, being punks no daubt.
That's what Freshman year was all abaut.
Nat a care in the warld, thaught we knew it all.
Laughing when suspended, Campy making the call.
Three years later thinking abaut the past.
Should of done things different because this one is my last.

John Tamburrini



An experience that I had here at Stoneham High that sticks out in my mind is this year's state tournament for soccer. As one of three captains, I hoped that we could make history here at Stoneham High for the soccer program; and we did. I remember being down 2-0 in the first round against Tyngsboro. Although, I was not worried because I knew that we would settle down and win the game. We did just that by dominating the rest of the game. I was proud of myself because I had scored 2 goals and assisted another for the 3-2 victory. Our next game was my last game ever playing home on the soccer field at Stoneham High. We dominated the whole game and came out with a 5-1 victory. Now, we had made it to the semi-finals to face Ipswich. The stadium was packed with fans who kept us in the game with all their cheering and support. The game was very well played and pretty even. Everyone thought that the game was going into overtime because the score was 0-0. I looked up at the clock and saw that there was only 3:45 remaining; I knew we had to score. Some seconds later, one of my teammates had taken the ball to the corner and crossed it in the front of the net. I remember just seeing the ball hit my head and go into the net. Everyone who was a Stoneham fan, as well as a player, including me, had never got as excited as they did. People were jumping on me and I remember one of my teammates tripping over my feet and falling. It was one of the happiest moments of my life. The next game was against Wayland in the finals where no other soccer team at Stoneham High has gone before. It was a cold day where the wind played the deciding factor. Unfortunately, we came out on the bottom end of the stick. Hearing the final whistle blow, I dropped down to my knees and realized that it was time to hang up my cleats because my soccer career was over. But I knew we had accomplished something special this season and I will always remember this moment.

Jillian Festa

It was my first day of my freshman year of high school. I had just moved here and didn't know anyone. My day was going okay when all of a sudden I became absolutely mortified. On the second floor the doors open opposite to each other. One pulls, the other pushes, and wouldn't you know I made a loud thud pushing that darn pull door. Well, I would've forgotten about this if the tall kid next to me didn't ask if I used to be a blonde. I had never been so embarrassed, but it all worked out. We've been dating for the past 2 and a half years.

Anthony Chirichiello

My most memorable moment happened two years ago. This experience definitely has to be one of the funniest moments in my life. It happened at the KISS concert 2000. While Shannon B., Eli and Sue were getting an autograph from the guys in "Making The Band," I decided to go over to where they were. Jokingly, I took one of my friend's poster and signed my name. Apparently, no one else thought it was a joke. Two girls came up to me and asked for a picture with them and an autograph. I don't know who they thought I was, but the next thing I knew there was a crowd around me, asking me for an autograph. Being the kind of person that I am, I stayed for 20 minutes signing autographs and taking pictures. I played along and after it was over and I said I had to go backstage. My friends and I laughed endlessly. We couldn't believe what happened. The funniest comment was by another Stoneham girl that was there, but not with us. She came up to me and said " Why is YOUR name on her shirt?" I couldn't stop laughing. We just told her it was a long story. I will never let this day be forgotten!

How I Became Known As"The Bottomless Pit"

It was a typical Monday morning. At 7:49 and 30 seconds, Angela stumbled into room 231, grumbling omach and all, to Mr. Mulvihill and a classroom full of eager students. Mulvi chose this fateful day to each his period 1 Economics class "The Law of Diminishing Utility".

First, he argued with an unsuspecting Renee Scola that she had volunteered to demonstrate this idea, ut when she denied, an unknowing Angela agreed to take over this mysterious task.

She was seated in a lonely chair facing the class and given a free - and very tempting, by the way - iece of chocolate. A Milk Chocolate Hershey's Nugget, to be exact. So she ate this deliciously electable sweet and called it her breakfast, satisfied. Then she was asked to rate this piece of chocolate. eeling that it was not up to par with the various other chocolates she had eaten in her lifetime, she gave a "7" (on a scale of 1 to 10). Much to her surprise, she was awarded another chocolate treasure. This eceived a rating of "8" (she felt that it was more satisfying than the previous). And then she received nother chocolate, and another, and another...eight pieces in total (each of which had gone down in alue). The chocolate breakfast was very pleasing to this little girl, but much to Mr. Mulvihill's surprise! He id succeed in his experiment (to prove that the more of something one has, the less value it has) because ach new chocolate was less pleasing to the chocolate eater, yet he had to halt his volunteer in order save some chocolate for his next class' experiment.

Nevertheless, the eight chocolates eaten provided good enough evidence that Angela Sciola was bottomless pit - she was unstoppable.
